Networking Event

The Young Professionals of Miami Lighthouse (YPOL) is a fellowship of future community leaders committed to supporting an annual project that will directly improve the lives of those living with blindness or low vision in our community.

The 2010 annual project will raise funds to purchase new Braille notetakers for blind children who participate in the Little Lighthouse Children's Programs.

Join us to connect with other young professionals at Angelique Euro Café in Coral Gables at 6:00 pm on Tuesday, September 7.
