**Saturday, April 12**

**11 a.m. – 1 p.m.**

**Miami Lighthouse for the Blind and Visually Impaired Students to Visit Formula E Multisensory Experience at Miami E-Prix**

*Media are invited to capture visuals of students participating in sensory-based activities, meeting drivers and Formula E spokesperson, and participating in an exclusive autograph session at Homestead-Miami Speedway*

**WHAT:** On Saturday, April 12, more than 20 Music Students from [Miami Lighthouse for the Blind and Visually Impaired](#) will receive exclusive access to a specially curated [Formula E](#) multisensory experience at Homestead-Miami Speedway, celebrating the event's return to South Florida.

This one-of-a-kind experience will include:

- Behind-the-scenes access to the Formula E paddock
- Hands-on interaction with Formula E cars and exhibits tailored for sensory engagement
- Exclusive wristband access to a private driver meet-and-greet and autograph session, where students will take photos with their favorite drivers, collect signed memorabilia, and engage up close with motorsport icons
- Insightful conversations around careers in motorsports and STEM

Media are invited to capture touching and inspirational moments as students navigate the event using their senses of touch, hearing, and smell. “This collaboration with Formula E and our music program students reinforces our Miami Lighthouse motto that ‘*It’s Possible to See Without Sight™*,’” said Virginia Jacko, President and CEO of Miami Lighthouse for the Blind. Offering all-inclusive music, audio instruction, and youth development programs, Miami Lighthouse is a national leader in Music education and facilitation for the blind and visually impaired.

**WHEN:** Saturday, April 12, 2025, 11 AM-1 PM

**WHERE:** Homestead-Miami Speedway– One Ralph Sanchez, Speedway Blvd, Homestead, FL 33035

**WHO:** Interviews will be available with Miami Lighthouse for the Blind and Formula E spokespeople.

**RSVP:** To confirm attendance, please contact Jade Persaud-Walters at [jpw@fiaformulae.com](mailto:jpw@fiaformulae.com) by Wednesday, April 8th. Official media accreditation to come on-site is required and subject to approval.

**ABOUT THE EVENT:** The ABB FIA Formula E World Championship is back in Miami after the iconic location hosted the very first Formula E race on U.S. soil during the inaugural season. This year, the legendary Homestead-Miami Speedway will swap stock cars for single-seaters as it welcomes the action-packed Round 5 of the championship.

### **About Miami Lighthouse for the Blind and Visually Impaired**

For nearly a century, Miami Lighthouse for the Blind and Visually Impaired has been working to build a more inclusive society for the blind and visually impaired. Through education, training, research and vision enhancement, Miami Lighthouse for the Blind provides hope, confidence, and independence to people of all ages. Miami Lighthouse serves over 28,000 program participants from blind babies to seniors each year. For more information, please visit [www.miamilighthouse.org](http://www.miamilighthouse.org).

### **About Formula E and the ABB FIA Formula E World Championship:**

As the world’s first all-electric FIA World Championship and the only sport-certified net-zero carbon since its inception, the ABB FIA Formula E World Championship brings dramatic racing to the heart of some of the world’s most iconic cities, providing an elite motorsport platform for the world’s leading automotive manufacturers to accelerate electric vehicle innovation.

The Formula E network of teams, manufacturers, partners, broadcasters, and host cities is united by a passion for the sport and belief in its potential to accelerate sustainable human progress and create a better future for people and the planet.
